This memo text is in response to the 5 items questioned in your letter dated 4/4/08. Item 1: The aggregate y-t-d totals you questioned actually refer to the donor's contributions to CFG PAC, not to the candidate or committee referenced in the memo entry. As we discussed, the FECfile software does not allow us to edit this field and all the data was imported in the format shown on the instructions for the FECfile software. Item 2: This issue has been corrected as it appears to be a database error. Item 3: We have added the district, state and office sought to the description line on the appropriate transactions. Election type and year, as well as the candidate and committee were already reported in the drop down menus provided by the FECfile software in the original report. Item 4: The FECfile software does not allow us to enter the missing information in the appropriate drop down menus as the software will not allow us to edit those fields so we have added the info to the description field per your request. Item 5: None of the 'press releases' questioned contain any express advocacy and the 'mail costs, postage' referred to a fundraising mailer to raise funds solely for CFG PAC. This also did not contain any express advocacy or solicitations for any candidates or campaign committees.
